## ABOUT ME

Hi! I'm Antonio, I am 26 years old. I'm currently living in Dublin. I'm an artist and designer with two years professional experience in aeronautic illustration with Airbus.

I gained experience as designer / layout producer in a widely known motorcycle magazine.

I have experience for 11 months as responsible of graphic design and technical support in frame of an Artist in Residence program.

I have a keen interest in graphic design, photography and video.. I'm a Professional teamworker and a fast learner.

I also have a really long experience with kids as a Lesuire Monitor in summer camps.
